Re: 105 Harbor Road
(Listed as Resolution 2006-251 on the
Town Board agenda of March 21, 2006)

Dear Supervisor Petrone and Council Members:

This is to express my strong opposition to the application of 105 Harbor Road Restaurant to obtain a Certificate of Approval in an Historic District for a requested open air deck for dining and bar at 105 Harbor Road. I believe this would seriously adversely affect the historic and general character of the community and request you not to approve the application.

Very truly yours,
